Dear Platinum Properties Team,

This letter is just to thank you for the great work you did building our new home in Channahon. We are so happy to be in our beautiful new house. It is the dream home we always wanted I don't think we will ever move!

You and your team were so easy to work with and you made the building process an enjoyable one for us. Thank you for all the work you did helping us pick stuff out. We feel like we are in a model home.

If we ever build again, we would definitely have Platinum Properties Team do the work. And we are happy to recommend you to our friends and family looking for a builder.

Thank you again,

Mark and Jamie Herzberger
